PROFILE

Warehouse team leader with six years in chilled distribution, moving into a planning role. Known for calm shift handovers and accurate stock records.

EXPERIENCE

Team Leader, Fictional Foods Distribution, 2021 to present
• Led a team of 14 pickers across two shifts, meeting a 99.6 percent pick-accuracy target for eight consecutive months.
• Introduced a 15-minute start-of-shift briefing that cut mis-picks by about a third over a quarter.
• Trained nine new starters on the handheld scanning system and the cold-chain checks.

Warehouse Operative, Fictional Foods Distribution, 2019 to 2021
• Picked and packed chilled orders to 400-line daily targets.
• Recorded temperature checks every two hours and escalated three breaches before stock was affected.

EDUCATION

Level 3 Diploma in Logistics Operations, Fictional College, 2022
GCSEs including English and Maths, 2016

SKILLS

Shift planning
Stock systems (Fictional WMS)
